You're Invited

The invitation to invest in this parish community is a deeply personal response. The days are long over where "one-size fits all." It is not unreasonable or unfaithful to demand accountability or to expect improvement, or to offer suggestions for further growth and development. I would go so far as to state that it is in fact a sign of a healthy, integrative, and respectful community when the atmosphere of the community encourages and accepts this dynamic. The invitation to stewardship is one response, one way to respond. I hope that all of you continue to participate in this effort and this shared response.

Fr. Tom Santa, C.Ss.R.
Pastor
